

Unit 1 - INTRODUCTION

Health Insurance Costs

Name _____

Period _____

Interview an adult about the health insurance costs they pay for and answer the following questions.

1. What health insurance do you have?
2. How often do you pay an insurance premium?
3. How much is your insurance premium?
4. How many people does your insurance premium cover?
5. How much is your co-payment for the following items:
 - a. Office visit?
 - b. Preventative visit?
 - c. InstaCare?
 - d. Emergency room visit?
6. How much is your medical deductible?
7. Now that you have learned how much a medical bill can cost, and the cost of health insurance, how important do you think it is to have insurance?
